

## 基礎課程說明

### (大學先修班課程適用)

大學先修班設立「基礎課程」(科目包括：基礎英語及基礎數學)是為了加強有需要的學生\*在相關學科上的知識基礎，協助學生更有效地修讀先修班課程學習計劃內的英語及數學科目。

\*大學於錄取時會根據新生的入學考試/分班考試/高考成绩/公開考試成績等判斷要否須要安排基礎課程。

如要修讀基礎課程者，須修讀的具體科目會於「錄取通知書」列明。大學一般安排學生於大學先修班的第一學期修讀，每門基礎科目一般設為每學期 45 學時，每週 3 學時。

如對基礎課程或上述安排有疑問，請向通識教育部（電話：+853 8897-2114，電郵：[dgs-ad@must.edu.mo](mailto:dgs-ad@must.edu.mo)）查詢。查詢時請提供學生姓名及申請編號/學號，以便跟進。

### **Introduction to Intensive Basic Courses (Applicable for Pre-University Studies)**

The Intensive Basic Courses (including Intensive Basic English and Intensive Basic Mathematics) are designed for new students\* who are in need of strengthening their foundations in these essential subjects and facilitate their study of these subjects in the study plan developed for the Pre-University Studies program.

\*The University will decide whether it is necessary to arrange Intensive Basic courses according to the results of the Admission Examination/Placement Examination/National College Entrance Examination/Public Examination Scores etc.

For those who need to study the Intensive Basic Courses, the specific subjects that they are required to study will be specified in the acceptance letter. The University generally schedules these students to study them in the first semester of the academic year. Each course generally runs a total of 45 hours per semester and 3 hours per week.

If you have any questions about the Intensive Basic Courses or the above arrangements, please contact the Department of General Education (Tel: +853 8897-2114, E-mail: [dgsad@must.edu.mo](mailto:dgsad@must.edu.mo)). Please provide the student's name and application number/student number for follow-up.
