**General information about Multiple Mini Interviews (MMI) to students
applying the program of
Bachelor of Medicine & Bachelor of Surgery
(Year 2024)**

During the MMI, candidate will rotate up to three interview stations. Candidates will be given one minute to read instructions written outside the individual station. After the bell, candidates enter the station. The interviewer(s) will interact with the candidates for seven minutes. Total interview duration shall be approximately twenty minutes. Please note: this is not an academic examination. You are given opportunity to highlight your communication skills and critical thinking in preparation to undertake medical studies. There is no right or wrong answer. You are free to express your thoughts.

For enquiries, please contact Faculty of Medicine. (E-mail: mbbs@must.edu.mo / Tel: 8897 1757).
