Admission Regulations

Applicable for
Undergraduate programs

NOTES

1. This set of Admission Regulations is applicable to Local, Hong Kong, Taiwan, International applicants, and Mainland China applicants who are currently enrolled in other tertiary institutions in Macao.

   【Mainland China applicants who are taking the National College Entrance Examination, please refer to the "Admission Regulations for Mainland China students who take the current year National College Examination" for application details.】

   [Recommended Students from high schools of Macao and students of Pre-University studies, please refer to relevant Admission Regulations.]

2. The currency payment standard mentioned in this Admission Regulation: payments for applicants holding Macao ID card are settled in MOP, and applicants without Macao ID card in HKD.
3. The schedule and arrangements mentioned in this handbook are planned under normal circumstances. For any contingency leading to required changes, please refer to the latest update from the University.
4. This Admission Regulation is subject to change according to the latest announcements of the University. The University reserves all rights and privileges to revise and interpret the mentioned rules and regulations. In the case of any dispute, the University also has the ultimate right of arbitration.
5. This document has been produced in Chinese and English. Should there be any discrepancy in the content, the Chinese version will prevail.

Attachment

Attachment 1: Exemption from Examination and Bonus schemes (Applicable to applicants who apply for Admission through Written Examination)

Attachment 2: Admission Requirement for Direct Admission

1. Ways of Admission and Dates

1.1 Ways of Admission

- Applicants must hold valid identification documents for application and admission. If you are found to use invalid identification documents, the University reserves the right to cancel your eligibility for application and admission. (The university reserves the right to refuse application and admission of students who hold expired or invalid identification documents. Students must bear all consequences that may rise if they are unable to stay or study in Macao due to issues of the stay permit, the expiration or failure to renew the identification documents.)
- If applicants hold more than one identification document, they can only use one for application and admission.
- Applicants can apply for undergraduate programs through one of the following ways of admission according to your identifications and qualifications.
- Application can be submitted only once per academic year. Please do not create more than one account for application; When a student uses different identification/ways of admission to apply, the University reserves the rights to cancel his/her eligibility for application and admission.
- Non-local Applicants must understand and ensure that the identification documents you are holding for admission must comply with the regulation and law for staying and studying in Macao, and are eligible to apply the "Special Authorization to Stay". For details, please refer to Important Information for Non-local Students to Study in Macao. For details of application, please enquire the Public Security Police Force of Macao (https://www.gov.mo/en/services/ps-1479/).

Applicable To	Types of Identification Documents	Ways of Admission (choose one)	
Local Applicants	Macao Identity Card	Admission through Written Examination	Direct Admission
Hong Kong Applicants	Hong Kong Identity Card	Admission through Written Examination	Direct Admission
Taiwan Applicants	Taiwan Passport and Identity Card	Admission through Written Examination	Direct Admission
International Applicants	Passport from other countries	Admission through Written Examination	Direct Admission
Mainland China Applicants	The People's Republic of China Identity Card	Direct Admission (Mainland China students who are currently enrolled in other tertiary institutions in Macao)

Back to Content

2.2 Notes for Choices of Programs

1) Chromatic Sense Checking: Applicants who have color blindness or color weakness cannot be admitted to the program of Bachelor of Traditional Chinese Medicine, Bachelor of Pharmacy in Chinese Medicine, Bachelor of Arts in Art Design, Bachelor of Fine Arts in Digital Media, Bachelor in Film and Television Production, Bachelor in Acting, Bachelor of Medicine and Bachelor of Surgery Bachelor of Food and Nutritional Sciences and Bachelor of Pharmacy. Applicants who are color blind cannot be admitted to the program of Bachelor of Science and Bachelor of Science in Artificial Intelligence.

2) Science Requirement:

   - Applicants of Bachelor of Pharmacy in Chinese Medicine, Bachelor of Medicine & Bachelor of Surgery, Bachelor of Pharmacy, Bachelor of Food and Nutritional Sciences and Bachelor of Biomedical Sciences must be from the science stream and must have senior high school Chemistry grades or equivalent (Applicants of Bachelor of Medicine & Bachelor of Surgery and Bachelor of Biomedical Sciences who have knowledge in Chemistry and biology are preferable).
   - Applicants of Bachelor of Science in Artificial Intelligence, Bachelor of Engineering in Interdisciplinary Engineering (Technology and Management) or Bachelor of Science in Space Science and Technology must be from the science stream and must have senior high school Physics/Chemistry/Biology grades or equivalent.
   - Therefore, applicants who apply for the above programs are required to submit the high school transcripts according to the "Required Documents for Application". Late submission will not be accepted and the University will only consider applicants' other choices.
   - Applicants of Bachelor of Science in Automation and Systems Engineering and Bachelor of Environmental Science and Engineering who have senior high school Physics/Chemistry/Biology grades or equivalent are preferable. Applicants could submit the high school transcripts correspondingly.

3) Course Syllabus and Study plan: Bachelor of Medicine and Bachelor of Surgery adopts the academic year system; other programs adopt credit-based system. The above programs are full-time. Details about the course syllabus and study plan can be checked from the MUST Website.

Back to Content

2.2 Notes for Choices of Programs

4) When selecting the choices of programs, applicants must fill in four choices of programs (including faculty, program, and major). Applicants of Bachelor of Arts in Foreign Language Studies, Bachelor of Science are required to select the major during the application:

   - Applicants of Bachelor of Arts in Foreign Language Studies need to select the major during the application, and it will be considered as a reference for admission. Students admitted to this program is accepted with designated major, and they must register in the program and major that are specified on the acceptance letter.
   - Applicants of Bachelor of Science will need to select the intended major during the application, and it will be considered as a reference for allocation by the Faculty when they register.
   - Allocation of major for other programs will be made after the students have registered. The Faculty will make final decision for allocation based on students' academic performances in common courses (which means the applicants are not required to select major during the application period).

5) During the application, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Arts in Art Design and Bachelor in Acting could only be placed as the first choice of program.

6) Programs available:

   - Macao, Hong Kong, Taiwan, Mainland China and Malaysian Applicants: All programs.
   - Other International Applicants: Bachelor of Science, Bachelor of Science in Artificial Intelligence, Bachelor of Science in Automation and Systems Engineering, Bachelor of Engineering in Interdisciplinary Engineering (Technology and Management), Bachelor of Environmental Science and Engineering, Bachelor of Science in Space Science and Technology, Bachelor of Science in Nanoscience and Nanotechnology, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Biomedical Sciences, Bachelor of Business Administration, Bachelor of Applied Economics, Bachelor of Science in Business Intelligence and Data Analytics, Bachelor of International Tourism Management, Bachelor of Hotel Management, Bachelor of Leisure Management, Bachelor of Commerce, Bachelor of Global Operations Management and Bachelor of Arts in Foreign Language Studies – English. Applicants could make a request to the University to apply for other bachelor degree programs with proof of Chinese education in senior high school or Chinese proficiency in public examinations.
   - The available programs are subject to change as announced by the University.

4. Application Procedures and Important Dates

4.1 Application Procedures

Applicants must complete the application procedures on the Online Application System (OAS) of the University within the designated application period:

1. Check your Qualifications

- Before filling in the online application, please self-check the admission requirements and choose the appropriate Ways of Admission for which you are qualified.
- Applicants must hold valid identification documents for application and admission. Please refer to Ways of Admission for details
- Unqualified applicants will not be considered admission, and all the fees paid are not refundable, transferable or retainable.

2. Create a New Account & Login the Online Application System

- Click on https://oas.must.edu.mo/admission/ (Online Application System (OAS)) to access the application system.
- Get into the "Create New Account" page, fill in the personal information, and then create an application account.
- Applicants who succeed in opening a new account will get a "User Name" (Format: B26XXXXX) and a "Password" for login immediately.

3. Go through the "Guidelines for Online Application"

- Read the "Guidelines for Online Application" (please click here, or login to the OAS and click on the related link on the top-right corner.).
- Go through this "Admission Regulations" carefully.

4. Fill in /Submit Application Information

- Login to the OAS, and then fill in the application/upload the related documents according to the instructions on the page.
- You must pay attention to all the instructions (and the "Notes for Choices of Programs") before choosing your four choices of programs. You must indicate the priority of your choices as well as whether you are willing to accept any designated program / apply to Pre-University Studies program if none of your four choices is accepted.

Back to Content

5. Submit Online Application

- After filling in the application/uploaded documents, applicants must complete the submission of the application on the "Important Notes and Declaration" page. Incomplete application will not be accepted.
- Personal Data Amendment:
  - Applicants who are qualified for Direct Admission / qualified for Direct Admission (Mainland China students who are currently enrolled in other tertiary institutions in Macao: you are not allowed to change any data after the online application has been submitted (except for submissions as required by the University).
  - Others applicants: you can login to the OAS to change the personal data as well as the files uploaded before the application deadline. You are not allowed to change the personal data or choices after the application period (except for submissions as required by the University).

  After the above application period, if you have special circumstances and have to amend your personal information, please contact Registry and apply for Personal Data Amendment (Attention: you are not allowed to change the choices of programs/majors/allocation and etc.).

6. Pay the Application Fee

- Applicants must pay the application fee within the application period. Application will become effective only after the applicant submits online application in the Online Application System (OAS) and pays the application fee. Applicants are deemed to give up their applications if they fail to pay the fee within the application period and the University will not process such applications any further.
- Amount of Application Fee and Payment method: please refer to Payment Method of Application Fee for details.
- Remarks of making payment:
  - All application fees paid (including duplicate payments) are not refundable, transferable or retainable.
  - Applicants who pay via Online Payment Gateway, if the page display a message of "Payment Incomplete" or "Payment Fail", please make the payment again 30 minutes later. If "Payment Processing" is still shown, please choose other payment methods in order to meet the due date as late payment will not be accepted.
- Upload proof of payment: Applicants who pay the application fee at the Student Service Center (Finance Counter), or via Online Payment Gateway will NOT be required to upload the receipt to the OAS. Applicants who use other payments method will be required to upload payment receipts (e.g. Application for Funds Transfers) to OAS for verification.

Back to Content

- After the application fee has been confirmed by the Finance Office, a reminder "You have completed the payment of application fee!" will be shown on the page of "Application Fee" on the OAS.
- If applicants fail to find any information of successful payment of application fee within two weeks after payment or before the payment due date from the system, please make enquiries to the Finance Office (email: fo_news@must.edu.mo).

7. Receive Application Number

- For applicant who has completed the "Submit Online Application" and "Application Fee has been Confirmed by the Finance Office", the application number (Format: 2609APXX-BXXXX) will normally be assigned within two days. At that time, you will also be notified via e-mail/SMS.
- This number is an unique number, which can be used for identification. Please remember your application number (or you can login to OAS and check it on the Personal Info page.

8. Attend admission examination

- Applicants should attend the required admission examinations (written examination, program-specific examination, and etc.) of the chosen ways of admission. For details please refer to "Admission Examinations".

6. Acceptance/Admission Procedures and Important Dates

6.1 Acceptance Procedures

1. Wait for the Release of Acceptance Results

Selection of qualified candidates is based on following aspects:

- All documentary proofs that are uploaded to the Online Application System (OAS), including educational qualifications, results of public examinations, extracurricular activities awards, certificates of social services or artistic skills, etc.
- Results from admission examinations/program-specific examination/interviews*, admission requirements and quotas of each program;
- Applicants' priority of choices. If applicants fail to meet the program requirements for the 1st choice, the 2nd choice will be considered, then the 3rd and the 4th accordingly. If none of these program requirements is met and they have chosen to accept any designated program, the University will consider whether they can be admitted to other programs.

* The University will not consider the program if applicants are absent in the program-specific examination/interview. The University will only consider their other choices.

2. Check the Admission Results: (click here to view the release schedule)

- Applicants will be notified by e-mail or SMS. Admitted applicants can login to the OAS to check the admission results immediately.

3. Download Acceptance Documents

- Admitted applicants* can login to the OAS immediately and download the Acceptance letter, Debit Note and other acceptance documents* from the OAS>Download Acceptance Documents page after receiving the e-mail or SMS notice sent by the University.

* Some admitted students may have to take relevant Remedial Courses/ Intensive Basic Courses (Chinese/English/Mathematic) / Academic English Enhancement Course. For details, please refer to Guidelines sent out with Acceptance Letter.

Back to Content

6.2 Admission Procedures

4. Tuition Payment

- The tuition fees and due date of payment will be listed on the Debit Note. Admitted students must pay related fees and upload the proof of payment before the payment due date as specified in the Debit Note.
- Students who do not pay or fail to provide proofs of payment before the due date as specified on the Debit Note will be treated as giving up admission and no retention will be made.
- For tuition fees and dormitory fees, please refer to the University website > Admission > Tuition Fees >> Tuition Fee Table for Pre-U & Undergraduate and Fee Table for Dormitory for details, and pay attention to the latest announcement of the University.

Remark: Students who are unable to enroll due to failure to complete high school, denial of visa to enter Macao (applicable to non-local students), sudden serious illness/death may apply during the designated application period for cancellation of admission and provide official documents certifying the inability to enroll or study in Macao. Upon approval, fees will be refunded according to University regulations.

5. Admission Confirmation

- Admitted students must login to the OAS to complete the confirmation procedures/fill in the required information according to the Guidelines for Online Confirmation Procedures for Admission. For details, please refer to the related guidelines.
- Students who fail to complete the online confirmation procedures for admission before the deadlines will be deemed as giving up the admission.

6. Health Examination

- All new students must have health examination during the designated period of time. The arrangement of health examination for local and non-local students would be different. For details, please refer to the related acceptance documents.

7. Online Registration, In-person Registration

- All new students must complete the Online Registration as instructed.
- Students must attend the registration procedures in-person at the appointment date.
- Mainland students are required to apply for the Exit-Entry Permit and Endorsement to Enter Macao before travelling to Macao.
- For details and specific arrangement, please refer to the related acceptance documents.

Back to Content

8. Commencement of class

- Class commencement date: **September 1, 2026**.

7. Other Regulations

7.1 Admission for Students with Disabilities

- Applicants with disabilities who need to apply for special examination arrangements and apply with us via "Admission through Written Examination", please refer to the JAE Website > Special Examination Arrangement for Students with Disabilities for details.
- The University also provides support and service for admitted students with disabilities. For details, please refer to the University Website - Student with Disability.

7.2 Cancellation of eligibility for admission or study

The University reserves the right to cancel student's eligibility for admission or student status when he or she:

- does not possess the qualification for admission;
- fails to present valid identification documents and related entry permit;
- is being dishonest (e.g. providing information which is incomplete, incorrect, untrue, or non-compliant with the University, etc.);
- submits falsifying documents (e.g. forged certificates or testimonials);
- is found to have misconduct or misbehavior during the admission process;
- fails to pay admission retention fees, tuition fees or other related charges of the University on time;
- fails to complete/does not complete all the online registration or in-person registration procedures on time;
- fails to complete/does not complete all the medical examination or to submit the Health Examination Report on time or is diagnosed to be unfit for study in the Report;
- fails to submit the required documents for application/online registration/in-person registration on time, or fail to provide the required original copies of the documents for verification;
- concurrently register or enroll in any other bachelor's degree programs (including programs offered by Macau University of Science and Technology). In this case, students must report to the University honestly;
- is involved in any situations(s) in which the University decides to cancel his/her eligibility for

Remark: For students whose admission / student status is cancelled, all documents submitted will not be returned and payment made will not be refunded, transferred or retained. All resulting responsibilities shall be borne by the students themselves and the University also reserves the rights to refuse applications from such students in the future.

7.3 Cancellation of Program

- The University reserves the rights to revoke any program/major or suspend enrolling students.
- The University reserves the right of not offering certain program/major as a result of insufficient enrollment.
- All fees (except application fee) paid will be refunded if the University is not offering the program/major under concern.

8. Notification and Enquires

8.1 Communication/Notification

■ **The University will inform applicants of admission information/notification in any of the following ways:**

1. Online Application System (OAS) https://oas.must.edu.mo/admission/
   (System login permission: the Online Application System (OAS) is currently available exclusively for admissions to the 2026/2027 academic year. Following the commencement of classes in early September 2026 and end of the admission process, the system will shut down without further notice. Please login to OAS to view or download information that you need by August 2026. After this deadline, system access will no longer be available)
2. E-mail or telephone number as provided by applicants on the OAS
3. Correspondence address as provided by applicants on the OAS
4. The University website > UG Admission Home

■ **To avoid missing the important message, applicants please pay attention:**

- Applicants must therefore check the contact points mentioned above to learn about the latest news immediately. Applicants are also responsible for any consequences that may arise due to your negligence.
- Further, the University will contact applicants or notify applicants of relevant application results via e-mail/SMS/written notice regarding individual matters or matters concerning your applications.
- Please be informed that all e-mail notifications will be sent by the University via the server with the email domain "@must.edu.mo". Please check your email settings to avoid emails sent from the University being mistakenly marked as spam. (When you first time create your application account, an email will be sent to you from 【oas.administrator@must.edu.mo】. It is recommended to add this address to your email contacts.)
- There might be problems with e-mail delivery and as result applicants may fail to receive the admission information sent by the University. Therefore, it's suggested that applicants login to the OAS or visit the University website regularly to check the latest information.
