Total 1 items Total: MOP 11.00

The End

3

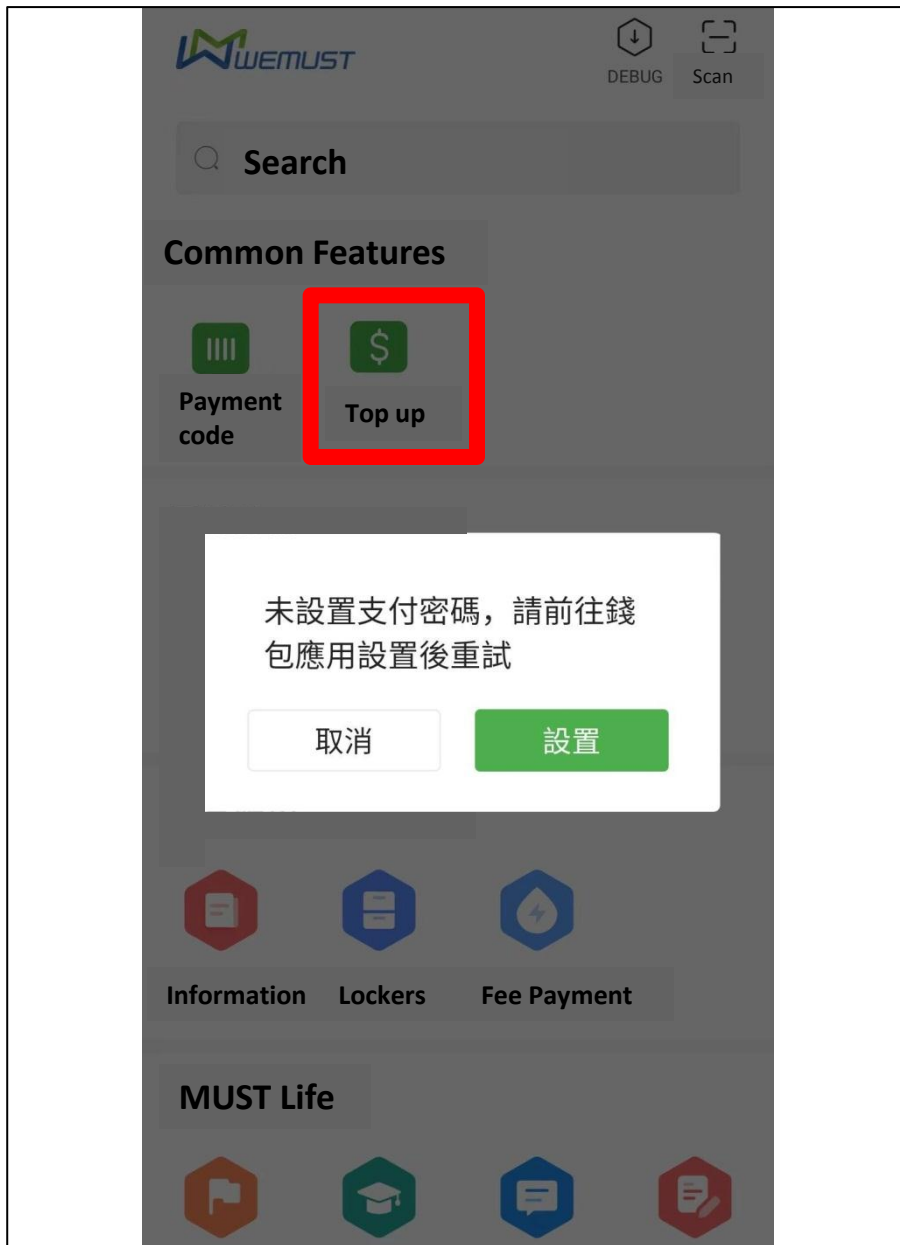

Enter the "Bill" interface to check whether there are fees to be paid

(When the actual textbook fee is greater than the estimated textbook fee, a payment note will be generated in the bill.)

4 Return to the home page and click the icon "Top up" or click the icon "Wallet" to recharge

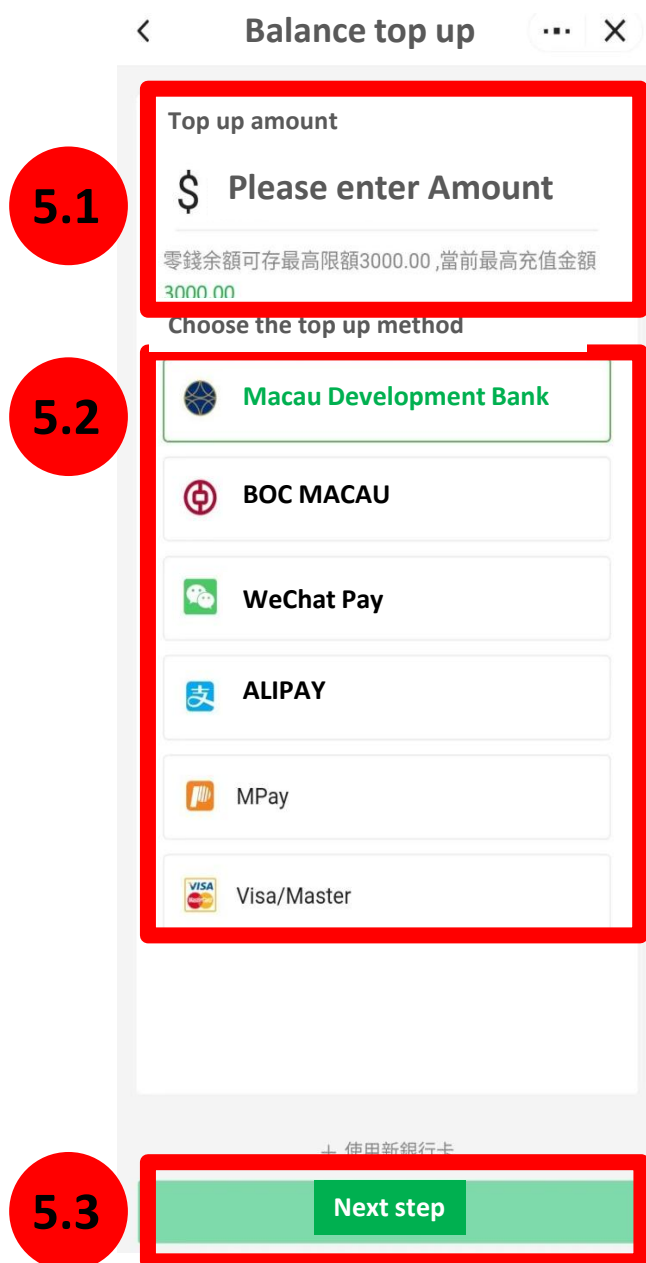

When you click the icon "Top up" for the first time to recharge, the system will prompt you to go to "Wallet" to set "Payment Password"

Click the icon "Wallet" to enter the "Activate MustPay" interface, and then set your "Payment Password"

5 Enter the interface of "Balance top up"

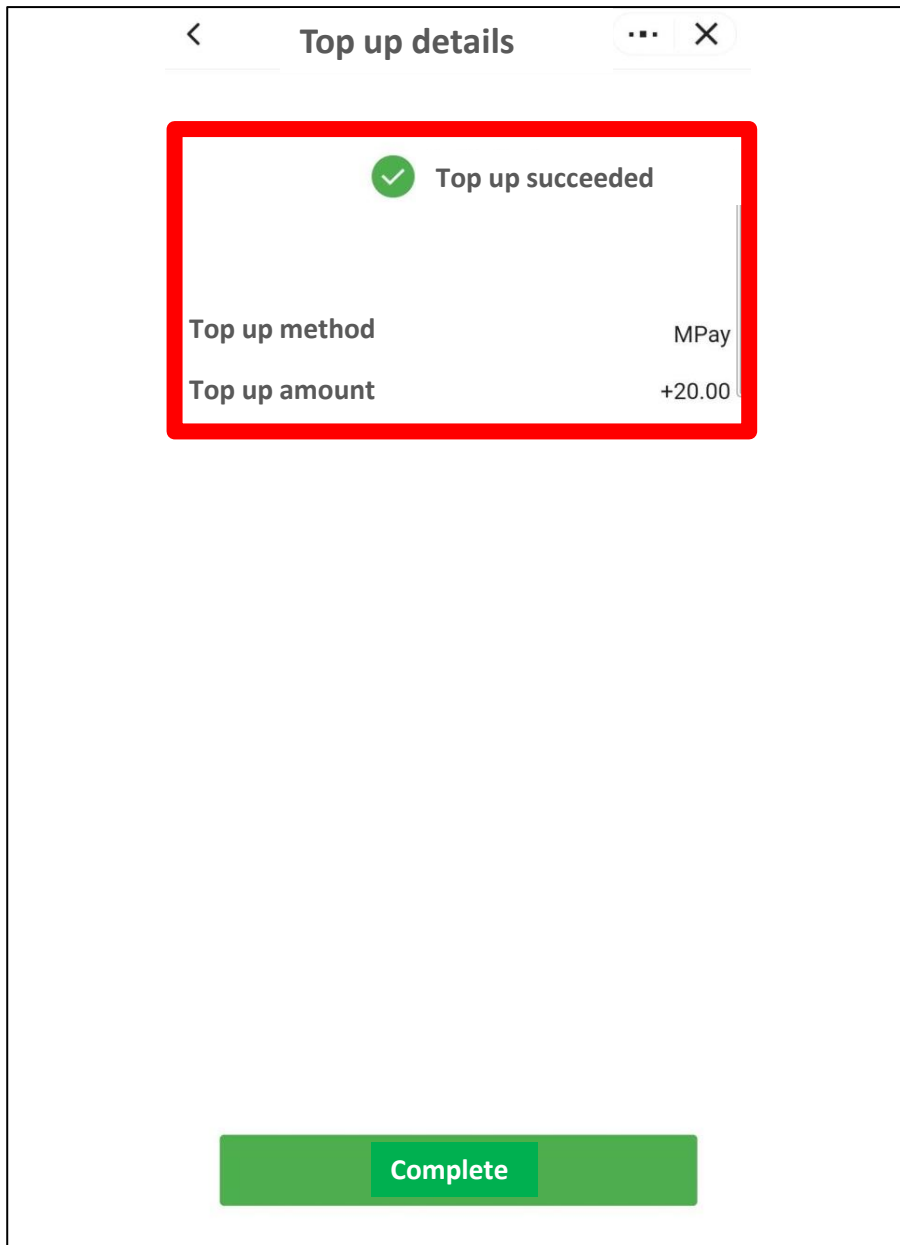

5.1 Enter the Top up amount

5.2 Choose the top up method

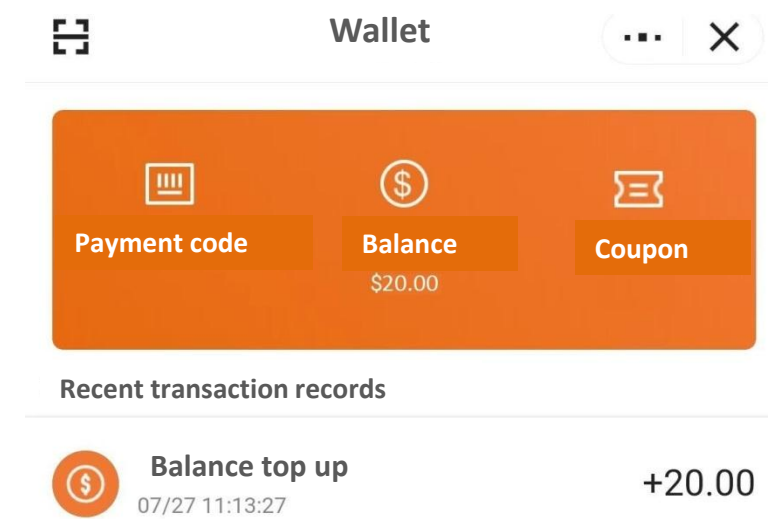

5.3 Click "Next" , The system will automatically jump to the APP of the recharge method you choose, such as: Macau Development Bank APP, WeChat APP, etc., and then enter your transaction password

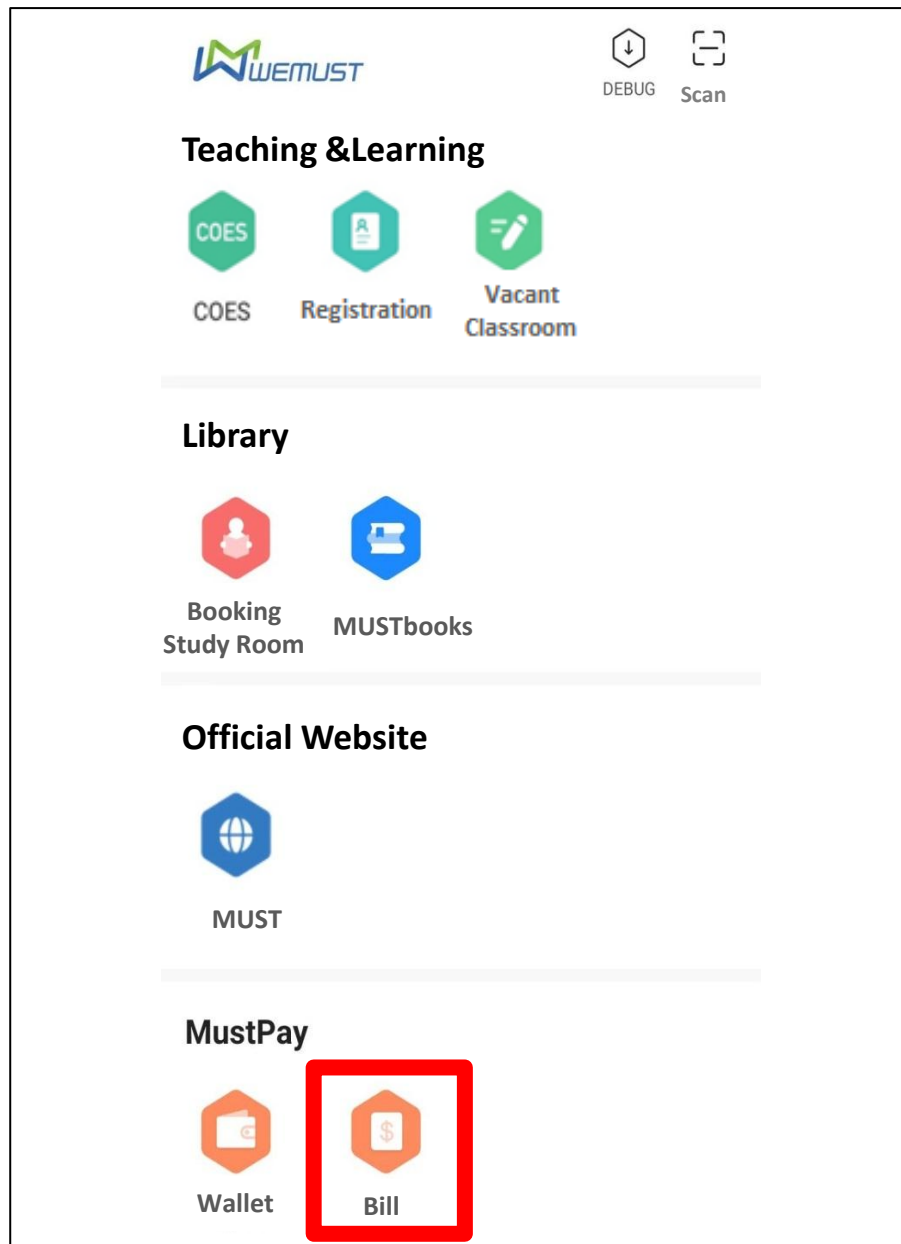

(During the process, please confirm whether the network is smooth, and whether there is enough money in the APP of the top up method you choose)

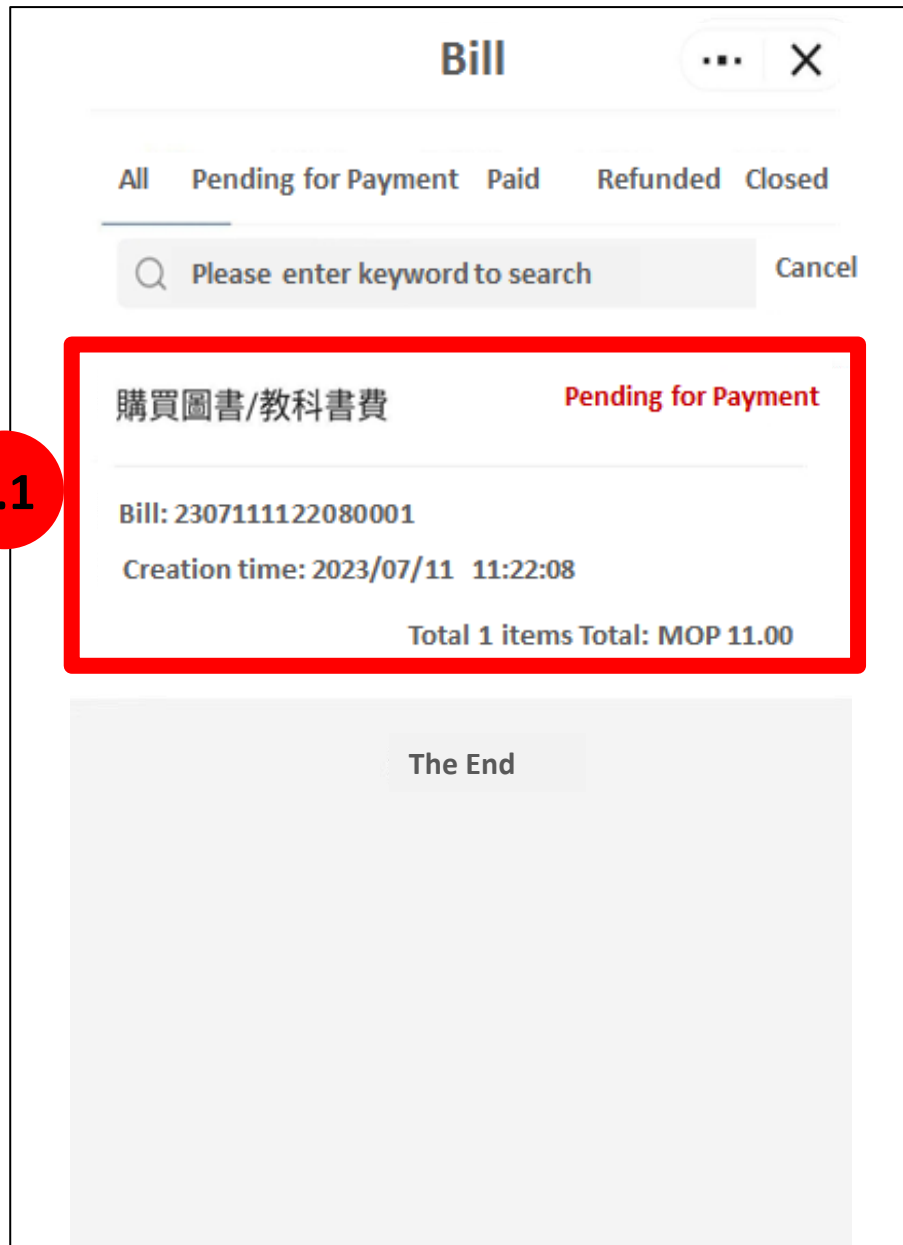

6 After successfully recharging, return to the WeMust Student APP and you will see a "Top up succeeded" prompt

The amount after successful recharge will also be displayed in the "Wallet"

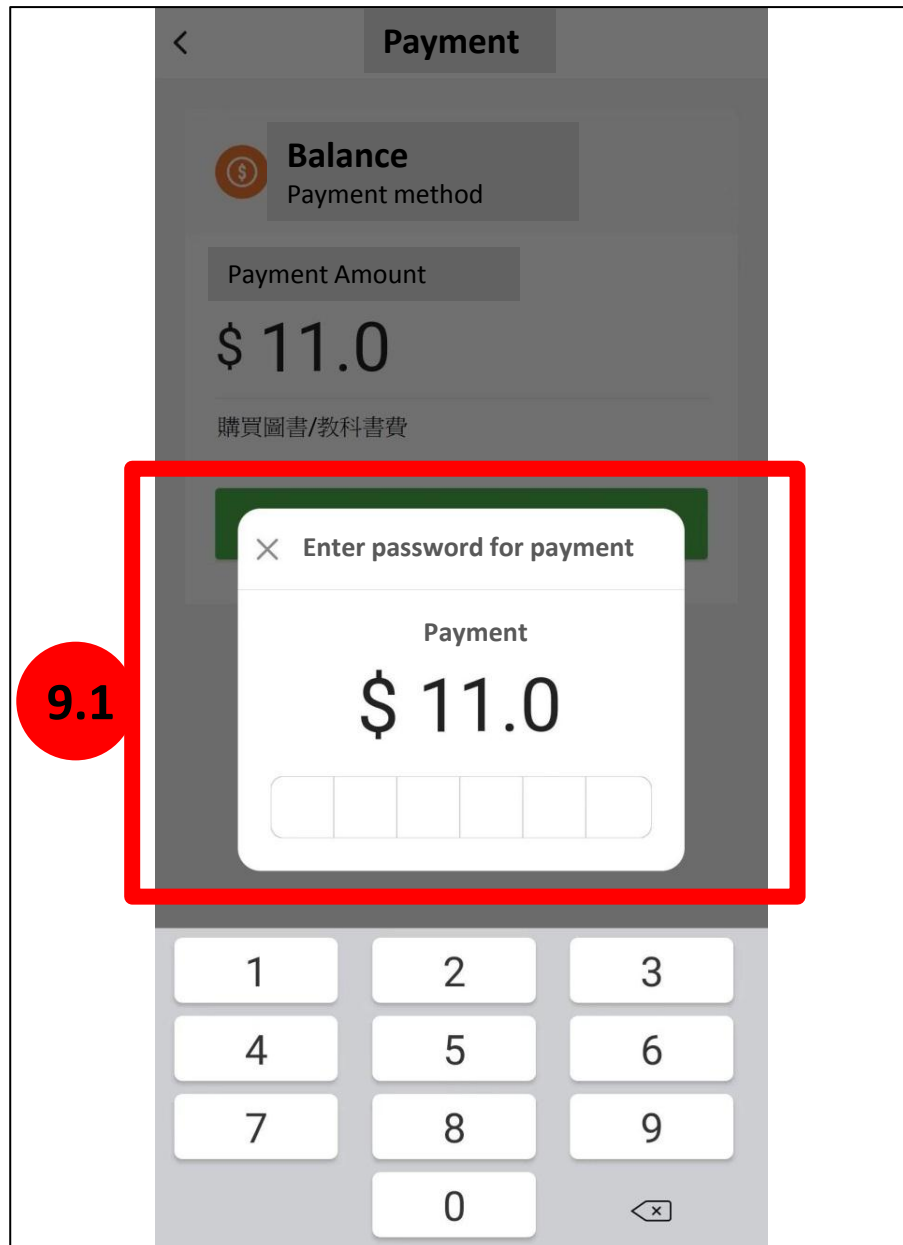

7 Return to the homepage of WeMust Student APP and click on the icon "Bill"

8 Enter the "Bill" interface

8.1 Click on the "Pending for Payment"

9 Enter the "Payment" interface

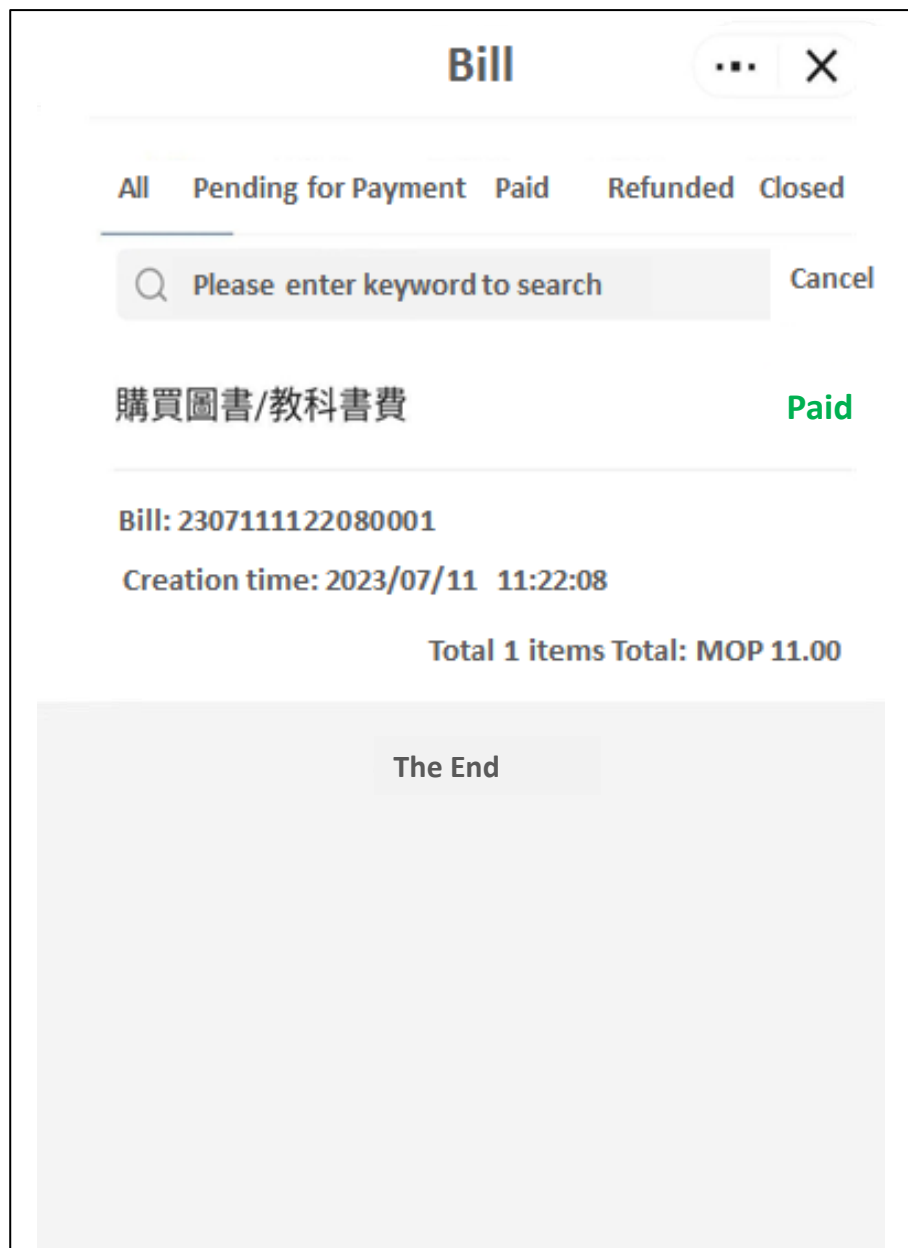

9.1 Enter the payment password of "Wallet"

(The fee will be paid with the "wallet", please make sure there is enough money in the WeMust Student APP wallet)

If you forget the "Payment Password", you can reset it in the "Wallet" or contact the Information Technology Development Office.

Tel : (853)88972080 Email : itsc@must.edu.mo

10

After successful payment, the status of the bill will change from “Pending for Payment” to Paid

At the same time, the transaction record will also be displayed in the WeMust Student APP wallet
