

Ultrasound in Gynaecology Certificate Course

Workshop Objective:

Faculty of Health Sciences is proud to offer this exciting workshop of Ultrasound in Gynaecology. This full day program provides a more in-depth coverage of ultrasound applications in obstetrics and gynecology. The program is devoted to obstetrics and the remainder to gynecology. Practicing clinicians and sonographers will be able to refresh their knowledge in gynecological areas such as the post-menopausal uterus, endometrial disorders, adnexal masses, transvaginal imaging and obstetrics including problem solving with measurements, exposure to Doppler in OBGYN, bioeffects and invasive procedures.

Register early for Hands-on Session, limited availability will be on a first-come, first-served basis

PROGRAM

Date: 26th April 2014 (Saturday)
Time: 09:00 – 17:00
Presented by: Faculty of Health Sciences
Location: Centre of Excellence for Medical Professional Development, 1/F Block E, MUST Campus

Tutor: Dr Vong Kit Man
Specialist of Obstetric and Gynecology
Conde de São Januário Hospital
Macau, SAR

LECTURE TOPICS

1. Physics and Instrumentation and Bioeffects in Ob/Gyn Ultrasound
2. Normal Pelvic Anatomy and Anatomic Variants
3. Imaging Techniques Including Transvaginal Scanning
4. Transvaginal Pelvic Scanning Techniques (Demonstration)
5. Sonography of Gynecological Disorders
6. First Trimester Sonography Including Ectopic Pregnancy
7. Demonstration of Normal Obstetrical Ultrasound Scan
8. Doppler Applications in Obstetrics and Gynecology
9. Fetal Anomalies
10. Ultrasound of Multiple Gestation
11. Biophysical Profile and Fetal Well Being
12. Sonography of the Placenta and Cervix
13. Hands on Scanning Sessions on VR Simulation

This special ultrasound skills training workshop provides further education and skills training opportunities in a safe, realistic and risk-free environment **Capacity: 24 (Max)**

Food and beverages for participants and trainer during workshop

Ways to Register

All applicants must complete the attached form and submit to secretary's office by email or fax two days prior to the proposed event.
(Fax/Tel +853 2825 9012 or Email: aizza.event.vivian@gmail.com)
