Distinguished Guest Professor Yin, Zhao Yang

School of Computer Science and Engineering ,Faculty of Innovation Engineeri

Office： A307a
Tel.：+853-8897 1990
E-mail：zyyin@must.edu.mo

Academic Qualification:

Ph.D. in Mathematics, Lanzhou University, 1996

Master in Mathematics, Lanzhou University, 1993

Bachelor in Applied Mathematics, Lanzhou University, 1990

Teaching Area

-

Research Area

Nonlinear Partial Differential Equations; Applicable Analysis

Working Experience

Distinguished Guest Professor, Faculty of Information Technology, MUST, 2013 - present

Professor, Department of Mathematics, Sun Yat-sen University, China, Jul. 2006 - present

Visiting Professor, Courant Institute of Mathematical Sciences, New York University, USA, Feb. 2012 - Jan. 2013

Alexander von Humboldt Fellow, Institute for Applied Mathematics, Leibniz University of Hanover, Germany, Aug. 2005 - Sept. 2007

Visiting Researcher, Department of Mathematics, Lund University, Sweden, Feb. 2002 - Feb. 2003

Associate Professor, Department of Mathematics, Sun Yat-sen University, China, Jun. 1999 - Jun. 2006

Lecturer, Department of Mathematics, Sun Yat-sen University, China, Jul. 1998 - May 1999

Postdoctoral Fellow, Department of Physics, Sun Yat-sen University, China, Jul. 1996 - Jun. 1998

Academic Publication

 Up to now, I have published 140+ articles in the intentional mathematical journals. To view the list of my publications, please click at
http://www.ams.org/mathscinet/search/publications.html?pg1=INDI&s1=628231.

Professional Society Membership

Member of the Editorial Board, Nonlinear Analysis: Real World Applications
