特別通告：關注防疫及入境政策

由於全球疫情反覆，近期內地亦持續有城區被納入中高風險地區，當地政府可能因應疫情防控的需要而實施封閉式城區管理的措施；澳門特區政府也會對有關人士採取限制性的入境措施和必須進行醫學觀察等的要求。大學在此特別提醒全體同學，應盡量避免離開澳門和跨境流動，更不應前往中高風險的地區，特別是在長假期期間(如：農曆新年)，減少疫情可能帶來的風險，並以自身健康及學業為先。同學應審慎評估跨境出行的需要並且應自我承擔後果與責任。

請同學們時刻做好個人健康管理，戴好口罩、勤洗手及保持社交距離，切勿鬆懈及珍惜由各方努力而取得之抗疫成果，同時請密切留意大學最新通知及政府相關資訊。若同學們遇到特殊情況，請立即向所屬學院辦公室報備，以便學院能及時知悉及關注。

有關澳門衛生檢疫要求的最新資訊，請參閱澳門特區政府衛生局抗疫專頁 (<https://www.ssm.gov.mo/PreventCOVID-19>)。

特此通知，祈為關注。

Special Notice: Pay Attention to Pandemic Prevention and Entry Measures

Owing to the instability of the global pandemic, some areas in the Mainland have recently been classified as medium or high-risk areas and the local governments may implement closed-off management measures in response to the needs of pandemic prevention and control. The Macao SAR Government may also take restricted entry measures and require medical observation for the persons concerned. The University would like to remind that all students should avoid leaving Macao, any border crossing and going to the medium or high-risk areas, especially during long holidays (such as the Lunar New Year), to reduce potential risks brought by the pandemic and to give priority consideration to your own health and studies. All students should carefully assess the necessity of cross-border travel and also be responsible to bear the consequences of your own actions.

Please take measures for personal health management at all times, wear masks, wash hands frequently, and maintain social distance. Please stay vigilant and cherish the anti-pandemic results achieved through the tremendous efforts of the whole society. At the same time, please pay close attention to the latest announcements from the University and relevant government information. If there are any special circumstances, please contact your faculty as soon as possible so that they could note your situation and make timely and appropriate arrangements.

For the latest information of Health Quarantine Requirements and Measures, please refer to the special webpage of the Macao Health Bureau against epidemics (<https://www.ssm.gov.mo/PreventCOVID-19>)

Thank you for your attention.
