# Admission and Registration Procedures

# I. Confirm Admission

All admission results will only be announced through the [Online Application System \(OAS\)](#). Please note that **MUST** has no cooperation with any

## 1.1 Admission result

Admission result will be announced through the [Online Application System \(OAS\)](#), applicants should be aware of email notification, and log in to the OAS.

<b>「Accepted」</b>	It means the applicant has been accepted to admit in our postgraduate program. Accepted applicants must register in the <a href="#">program</a> and <a href="#">major</a> as listed in the OAS. <b>Please note that change of program is not allowed after admission.</b> If the accepted program/major is different from the applied program/major, that means the applicant is not qualified to admit in the original applied program/major, but has been automatically transferred to another program/major.
<b>「Rejected」</b>	It means the applicant is not qualified to admit in our postgraduate program and do not have the chance to be transferred to other program/major.
<b>Studentships</b>	The information of granting studentships will be released at the same time with the acceptance result. Students who are offered studentships have to download, print, sign and upload the “Confirmation of Studentships” to the <a href="#">Online Application System (OAS)</a> . <b>Original copy of the “Confirmation of Studentships” has to be submitted on the date of in-person registration.</b>
<b>Thesis supervisor</b>	A portion of the admission pages will list out the name of the assigned thesis supervisor. Students should comply with the related arrangements. Students have to submit application and pay related fees if they want to change the thesis supervisor after admission. If the name of the thesis supervisor is not shown on the admission page, that means respective faculty/institute will notify students to choose their own thesis supervisor at specific time after admission.
<b>Admission Intake</b>	The information on admission intake will be released at the same time as the acceptance result. Admission intake is usually in September each year (fall admission), or January to February each year (spring admission). Please read carefully about the stated admission intake information.

## 1.2 Acceptance documents

New students are highly suggested to fully acquainted with the following documents including: “Acceptance document”, “New Student Handbook”, “Debit Note for First Installment of Tuition Fee”, “Guideline for Health Examination”, “Study Plan of the accepted program”, etc.

Please login to the [OAS](#) and check the “Application Status” page after payment. A message of “[We have received your tuition fee!](#)” will be shown in section H, which indicates the confirmation of your payment.

#### **Notes:**

New students should read and be aware of all regulations in the latest Graduate Student Handbook. After commencement of classes, all debit notes for tuition fee during study and related notices will be sent by email or posted at related notice board. Students may also login to the [COES](#) for downloading and printing out the related debit note for fee payment. Students may login to [COES](#) for viewing their account details on caution fee.

## II. Services for New Students

### 2.1 Dormitory

Whether students live in the University's dormitories or own rental housing should pay attention to their own safety.

To help with accommodation in Macau, the University provides **off-campus dormitories** for non-local new students.

#### Dormitory

Dormitory are off-campus, located among Macau Peninsula, Taipa and Coloane. All dormitories for postgraduate students are located in Macau Island or Taipa. Most dormitory rooms are equipped with desks, wardrobes, beds and air-conditioner, etc. Hot and cold water will be provided 24 hours.

Interior design of one of the Dormitories (for reference only)

#### Way of Application

##### 1. **Submit Online Application**

Students who are interested in applying for dormitory should submit an **online application** by logging into the OAS before the **due date** listed on the "**Debit Note for First Installment of Tuition Fee (Dormitory fee included)**".

##### 2. **Dormitory fee and bed clothing fee**

Applicants should pay the amount listed on the "**Debit Note for First Installment of Tuition Fee (Dormitory fee included)**". Applicants only need to pay the lowest standard of rental fee for the first installment listed on the Debit Note. Students have to pay the outstanding amount of the dormitory fee after class commencement if the allocated dormitory fee is higher than the paid dormitory fee. For details, please refer to related notices.

#### Dormitory Fee

The dormitory rental period for Fall entry is from September to June. If related students continue to stay in the dormitory in September of the new academic year, they need to apply to the Student Affairs Office in advance. For details, please refer to the dormitory application notice issued by the Student Affairs Office. For details of the dormitory fees, please refer to the University website at: [Admission>Tuition Fees>Fee Table for Dormitory](#). The dormitory fee differs according to the dormitory location and bathroom equipment.

#### Order of Allocation

Due to limited places of dormitory, spaces will be allocated by the following order, allocation will be based on the order of payment of the same batch of acceptance. For example: applicant A is accepted for the first batch and tuition fee is paid on the third day after the acceptance result released, and applicant B is accepted in the second batch and tuition fee is paid on the first day after accepted. Then the applicant B will be given priority for allocation. Order for payment of tuition fee and dormitory fees are based on the receipt of full payment date confirmed by the University's Accounts Office.

The University will notify applicants with the application results through email before in-person registration. Applicants with approved application will be arranged to check in dormitory during in-person registration period.

#### Notes:

- (1) If the type of the allocated dormitory differs from the applied type of the dormitory, and the student disagreed to be allocated to other type of dormitory during application and the applied type of dormitory is full, those students will not be allocated. The University will refund the paid dormitory fee and bed clothing fee approximately one month after class commencement.
- (2) If the type of the allocated dormitory differs from the applied type of the dormitory, and the student agreed to be allocated to other type of dormitory during application. Regardless of the type of the allocated type of dormitory, no withdraw from dormitory or refund of dormitory fees will be accepted after the announcement of the application results.
- (3) If students want to change the type of dormitory, they have to submit application to the Student Affairs Office after registration and pay the related administrative fees.
- (4) New students who are successfully allocated to dormitories are forbidden to exchange, transfer spaces or let others stay; If found, they will be punished according to the relevant provisions of the *Graduate Student Handbook* and the *Dormitory Guide*. The University also reserves the right to pursue relevant action.
- (5) The University will provide dormitories (specific type) for the students who granted the specific postgraduate studentships (PGS). Those new students are not required to submit dormitory application through the application system.

Applicants with rejected applications should immediately seek other accommodation before class commencement. (Note: Staying in Macau during study is highly recommended)

## 2.2 Order textbooks

Some of the postgraduate programs listed out a textbook list for students. [The Centre for Book Publishing and Supply](#) of MUST provide textbooks ordering service for those new students.

For details of the method of ordering textbooks, please refer to the latest [“Notice about Ordering Textbooks for the first Semester”](#) .

For details of the book list, please refer to the University website at: [Administrative Units>MUST Library>Textbook Supply>Latest Books](#).

Students who do not have a textbook list means they do not need to order textbooks.

## 2.3 Student group insurance

All master students (for the first two years of enrollment) and all doctorate students (for the first three years of enrollment) are required to get medical insurance coverage (including hospitalization and out-patient services) offered by specific insurance company. The annual insurance premium is already included in the “Debit Note for First Installment of Tuition Fee” and is paid together with the tuition fee.

All student insurance is enrolled at specific insurance company by the University, new students should submit the “Declaration of Enrollment of Student Group insurance” to the Students Affairs Office after enrollment.

If student is being covered by other medical insurance which is applicable in Macau for both hospitalization and out-patient services, he/she can apply for exemption at the **Student Affairs Office** with the original copy and photocopy of the receipt and insurance coverage details **after pass the online registration**. If the student’s own insurance coverage is confirmed to be valid, the remaining insurance premium will be refunded. (From the date of the approval)

Annual insurance premium is subject to adjustment by the insurance company. Whatever terms and issues related to insurance policy will be dealt with and responsible by the insurance company. For payment after the debit note due date (“late payment”), the medical insurance coverage commencement date will thereby be postponed and will only be commenced from the following month after the confirmation of related insurance premium payment.

For the details of student group insurance, please refer to the University website at: [Administrative Units>Student Affairs Office >Student Service >Group Insurance](#).

## III. Prepare Registration

### 3.1 Student VISA

- (1) All non-local students must hold valid personal identification documents and must be aware that such documents must be in compliance with the Law of Macau to apply for stay permit for study purpose in Macau.
- (2) For the details of student visa for students from Mainland China, please refer to the Chinese version of this handbook.
- (3) **Authorization to stay in Macau (Applicable to non-local citizens):**

Type of Authorization	In accordance with the stipulation of Macau Special Administrative Region, all non-local students are required to apply at the immigration building of the Public Security Police Force for “Special Authorization to Stay” (“Student Visa”) for study purpose. For details, please refer to the Residence and Stay Affairs Department website at: <a href="https://www.fsm.gov.mo/psp/eng/main.html">https://www.fsm.gov.mo/psp/eng/main.html</a> .
Arrival Card	Non-local residents will be granted an “Arrival Card” when entering to Macau (See sample on the right). Please keep this card properly while staying in Macau and remember to apply for the “Special Authorization to Stay” for study purpose. 
Application Time	Non-local students should go personally to immigration building of the Public Security Police Force to apply the “Special Authorization to Stay” before the expiration date as stated on the “Arrival Card”. A testimonial issued by the University and other related documents are needed to submit during application. For details, please refer to the Stay Subdivision of the Residence and Stay Affairs Department website.
Expiry date of the “Special Authorization to Stay”	Students should be aware of the expiration date of their visa and the approved period of stay in Macau. The maximum period of the “Special Authorization to Stay” for study purpose is usually one year. Students must go personally to the Stay Subdivision of the Residence and Stay Affairs Department at the beginning of each academic year or before the expiration date of their visa for renewal during study.
<b>! Notes</b>	<p>(1) During the period of study, if the student withdraws, defers, is being terminated study by the University or transfers to another higher education institutes, upon completion of the University’s clearance procedures, the student must go to the Stay Subdivision of the Residence and Stay Affairs Department on the next government working day to cancel the student’s “Special Authorization to Stay” for study purpose and apply for the ordinary “Authorization to Stay” for departure preparation. Student should leave Macau before the expiration of the ordinary “Authorization to Stay”. As soon as the Department receives a notification letter from the University about the leaving of a student owing to any of the above reasons, his/her “Special Authorization to Stay” becomes invalid immediately. If the student continues to stay without any valid “Authorization to Stay”, he/she will be considered as illegally overstaying in Macau.</p> <p>(2) For graduates in Macau who already have a “Special Authorization to Stay” must follow the University to apply for a new one after class commencement.</p>

## 3.2 Prepare Registration Documents

The School of Graduate Studies will send a registration email notification to the new students who have confirmed payment of tuition fee. After receiving the email notification, please log in to the [OAS](#) and click the "[Online Registration](#)" page and follow the instructions to upload the registration documents.
