DORMITORY NOTICES

Notes on renewal of dormitory in the 2017/18 academic year

For freshmen who were first year admitted to the dormitory in 2016/17 academic year

Dear all dormitory residents,

In accordance with Article 3 of Dormitory Rules and Regulations, 2016/17 academic year, "Under normal circumstances, non-local undergraduate and / or pre-university students must be admitted to the University's dormitory for the first and second years." **It means that non-local undergraduate or pre-university students who are admitted to the dormitory in their first academic year (2016/17 academic year) must stay in the dormitory in the 2017/18 academic year.** However, the approval of accommodation will be made based on Article 4 of the Dormitory Rules and Regulations, 2016/17 academic year (Requirements of the priorities approval), residents' accommodation performances and the result of roll call.

Therefore, all dormitory residents should attend roll call daily on time and maintain good accommodation performance. The Student Affairs Office will post a 'Pre-admitted list of accommodation in the 2017/18 academic year' at the beginning of 1702 semester. However, if the resident does not meet the roll call requirement nor has good accommodation performance during the 1702 semester, the qualification of accommodation will be removed from the 'Pre-admitted list of accommodation in the 2017/18 academic year'. The 'Official admitted list of accommodation in the 2017/18 academic year' will be released before the end of the 1702 semester.

Please pay close attention to dormitory notices. Thank you!
