

EMERGENCY EXERCISE AT MACAU INTERNATIONAL AIRPORT

Macau International Airport will be performing an exercise to test its response capability in case of airport emergency.

We need volunteers who are willing to have a new experience and to participate in this exercise by playing the role of passengers, crew members, (“victims of the accident”), press people, relatives and friends, etc.

The exercise is planned to be conducted on the 23rd October 2015 (Friday) at 12H30 AM and anticipated around 7~8 hours (*inclusive of 1 hour briefing session*).

If you are aged 16 or over and willing to participate, please contact our Security Office at 28861111 ext 3870 or preferably send an email to security@ada.com.mo by **30th September 2015** including your school and subject of study, full name, gender, ID/ passport type and number, date of birth, mobile phone no., and email address. (*your personal details are for purpose of insurance only*)

The participants will be able to experience the non-visible face of the airport operations, entitled with a Certificate of Participation issued by Macau International Airport and a surprise gift.

The number of participants will be limited and on the first come first served basis.

We require your support for the success of this exercise. Thank you!
