	In addition to degree courses in the departments, exchange students may also
	choose any course listed at the bottom, under Global Education, independent of
	their actual field of study (up to 15 ECTS can be obtained in Global Education).
	Global Education courses are designed for international exchange students who
	would like to learn more about German culture, history, literature, and politics.
	These courses also provide an international and intercultural perspective into the
	German educational system, give an impression about the process of studying
	and doing research in Germany, and provide valuable intercultural experiences.
	Students can visit the courses they want to attend in the first two weeks of the
	lecture period. There they will get the access information to the course from each
	professor. But they have to be aware of course restrictions for some courses. In
	general, students in the Bachelor Degree cannot attend classes from the Master
	Degree. Our course catalogue (also with the information about an eventual

	orientation week and the academic calendar on the website of the Newcomer

Residence Permit	
Requirements	Registration at the official registration office of Bremen (EU-Citizens):
	Everyone who resides in Germany needs to be officially registered.
	It must be done within one week of moving to your new address.
	In order to register, you will need the following documents:
	Official form entitled "Anmeldung und Ummeldung"
	(form can be obtained at the authority "Meldestelle")
	on campus (near the main cafeteria (Mensa) or online:
	https://www.bsu.uni-bremen.de/formulare(neu).html
	A copy of your Identity card or passport
	"Aufenthaltsanzeige" (only for EU-citizens)
	You will be issued a receipt of registration which you must present to the
	Ausländerbehörde (immigration office) if you are a non-EU-citizen. You will also
	need this receipt of registration to receive a library card.
	Registration with the "Ausländerbehörde" (immigration office)
	<u>Citizens of non-EU-states</u> should register with the Ausländerbehörde as soon as
	possible after arriving in Germany and receiving their receipt of registration. You
	will need to present the following documents:
	<ul> <li>Completed application for a resident permit</li> </ul>
	(forms can be obtained at the registration office)
	> Passport (please also check the validity of your passport; if necessary please

	Т
	refresh it as soon as possible. An inappropriate passport validity date is a
	frequent reason why students have to cancel their mobility to Bremen.)
	➢ Visa
	Receipt of registration from official registration office - <i>Einwohnermeldeamt</i>
	Enrolment certificate
	Proof of health insurance coverage
	1 current biometrical passport-sized photo
	> Evidence of financial means of support, (e.g. evidence of Erasmus mobility
	grant or other scholarships). The available amount per month should be in the
	order of the German Federal Student Grant rate (BAföG) or DAAD rate which is
	around 650 € per month.
	The official registration office "Meldestelle" is located in the Service Center
	"BSU" on the University campus. Further details can be found at:
	http://www.uni-bremen.de/bsu
Health Insurance /	Each student is required to have international health insurance coverage including
Health Services	all medical, hospital and repatriation expenses without any exception while in
	Germany. Health insurance coverage is a prerequisite for enrolment at a university.
	Private health insurances of home countries or travel insurances for the purpose of
	visa applications are not accepted for enrolment at the University of Bremen if
	they limit the cost of treatments or duration of coverage.
	We therefore highly recommend to apply for the statutory health insurance in
	Germany which covers all possible costs for the term. Offices of several insurance
	companies are situated on the university campus (hkk, TK, AOK).
	For more information please contact the health insurance company directly or
	the Newcomer Service: <u>newcomer@uni-bremen.de</u>
	The statutory health insurance is a special low-cost health insurance
	("Krankenkasse") for students and can already be used for the visa applications.
	Students who intend to participate in the Orientation Week or who arrive in
	Germany before the official start of the semester (1 <sup>st</sup> October/ 1 <sup>st</sup> April) will
	additionally need a travel insurance to <u>cover the time gap between their arrival in</u>
	<u>Germany and the start of the term</u> ! The obligatory health insurance covers treatment costs and medicine.
	The insurance card is your entry pass to all medical services and preventive care
	included in health insurance. If you have to stay in a hospital the insurance will <b>pay</b>
	all costs for your hospital treatment (if you are exempted from additional
	payments), nursing, and examinations, (except for the "Eigenanteil" of 10 Euro per
	day in hospital).
